**YOUR QUESTIONS**—all of them, the most intimate—all are answered in simple, straightforward fearless language. Here are the real facts about the so-called mystery of sex—the things you should know about YOURSELF, about YOUR BODY, your DESIRES and YOUR IMPULSES.

At last a book has been published that digs into sex matters without fear or beating around the bush. This startling 512 page book, "Safe Counsel", written by Prof. B. G. Jeffers, M. D. Ph. D. and Prof. J. L. Nichols, A. M. contains just the information you want. You will be amazed at its frankness. Words are not minced. "Polite" phrases are forgotten—the right word is used in the right place. In this remarkable volume are answered all the questions that brides want answered on the eve of their weddings—that youths approaching manhood demand of their elders—that married people should know. The naked facts are told. Ruthlessly! Daringly! But truthfully!

### "It Might Have Been Prevented"

How pitifully often do we hear this pathetic phrase. Glorious young lives are wrecked by ignorance and falsehood. Innocent children suffer as a result of prudishness and "modesty." We think we are enlightened, civilized people—but we will continue to be in the dark ages until every adult knows the truth about the function and purpose of his body, and about that great powerful invisible force, the Life Urge.
